TYPE OF SERVICE (Enter weights on the desired service)				Settlement Timeframe			Weight Shipped* Specify ~ Gross or Net		
Silver Metallics (under 50 kg) suggested min. 1 kg				10 Working Days					
SEPARATE DENOMINATIONS PER BAG	\$0.05	\$0.10	\$0.20	\$0.25	\$0.50	\$1.00	\$5.00	\$10.00	\$20.00
WEIGHT PER BAG IN GRAMS OR # OF PCS									
Coins can be melted with other Sterling Silver scrap (Jewellery, cutlery, etc.) If you are including any additional material please provide a brief description and weight here:									
Canadian coins from 1967 are composed of either 50% or 80% silver and will appear identical. Canadian coins from 1968 are composed of either 50% or 0% silver (if they contain no silver, they are 100% nickel and slightly magnetic). Please do not include these magnetic coins or any coins newer than 1968 in your refining lot.									
*We may complete the information above on your behalf, however additional charges will apply, and settlement time will be delayed.									
I have read and accepted the terms and conditions and I herein, certify that this material complies with D.O.T. and W.H.M.I.S. regulations and does not exhibit any of the following hazardous characteristics: carcinogenic, toxic, corrosive (batteries/acids), explosive, flammable, radioactive, bio-hazardous or contain any of the following: chlorine, bromine, fluorine, selenium, tellurium, cadmium, mercury (dental amalgams) or plastic (compounds) etc.
